**SALVATION - THE GLORY OF GOD
(John 17-1-5) | Rev. Robert Chew**

A Heartfelt Reflection and Prayer Request from Pastor Michael Ortiz

For months, we felt God was speaking to us through answered prayers and smooth transitions in our lives. We felt His presence in everything, from booking plane tickets to enrolling in Bible College, applying for S-pass. It felt like God was guiding us towards serving Him in Singapore.

But suddenly, things changed drastically. I was diagnosed with tuberculosis, even though I had no symptoms. Now, I'm in a hospital almost a month now in a foreign country, wondering what God's message is in all of this.

Longing for God's guidance and answers, wondering where He is during this time of suffering.

I was so close to serving the church and doing ministry for God's glory, but those plans seem to have been put on hold. We feel uncertain, unsure, and devastated. We long to hear God's voice and understand His plan.

One morning, a powerful hymn, "Standing on the Promises of God," played automatically on my wife's phone. It becomes a turning point, offering a glimmer of hope and a reminder of God's presence even in times of pain.

We believe this is God's way of reminding us that He is still with us, even in this difficult time. We have questions, but we choose to trust in God's promises and believe that He is with us, even when we are overwhelmed by our emotions.

Please pray and help us church to maintain faith during difficult times, and to ultimately continue to trust in God's sovereignty and promises.

"Standing on the promises that cannot fail, when the howling storms of doubt and fear assail, by the living Word of God I shall prevail, standing on the promises of God."
